Career Objective

Fresh B.Tech graduate from BMC College, Bombay (2020–2024), eager to build a career in **Learning Technologies** with a focus on tools like **Articulate 360** and modern eLearning platforms. Passionate about combining technical skills with instructional design to create engaging digital learning experiences.

Education

- **Bachelor of Technology (B.Tech)**
  BMC College, Bombay
  2020 – 2024
  Specialization: Information Technology

Professional Experience

Project Trainee – Ranbaxy Pharma IT Division
Jan 2024 – Jun 2024

- Worked on a **Call Management System** project.

- Utilized **web technologies** (HTML, CSS, JavaScript, PHP, MySQL) to design and implement modules.

- Collaborated with IT team to streamline call logging, tracking, and reporting.

- Gained exposure to enterprise IT workflows and pharmaceutical industry processes.

Technical Skills

- **Web Technologies:** HTML, CSS, JavaScript, PHP, MySQL

- **Learning Tools:** Articulate 360 (basic familiarity), Moodle, TalentLMS

- **Other Tools:** MS Office Suite, GitHub

- **Soft Skills:** Problem-solving, teamwork, communication, adaptability

Academic Projects

- **Call Management System (Ranbaxy Pharma IT Division)**
  Designed and developed a web-based application to manage customer and internal support calls.
  Features included call logging, escalation tracking, and reporting dashboard.

Career Interests

- Instructional Design & eLearning Development

- Learning Management Systems (LMS)

- Authoring Tools (Articulate 360, Storyline, Rise)

- Digital Transformation in Education

Achievements

- Successfully completed final year project with commendation from Ranbaxy IT mentors.

- Active participant in college technical workshops and hackathons.
